

Child-Safe Environments

Reporting Child Abuse & Neglect

Approved industry standard certificate for people working or volunteering in an organisation that provides a service to, or works with children...

Are you required to be a Mandated Notifier? What are your Legislative requirements about who is required to notify? Does your organisation's current policy meet the requirement?

These are the Department of Child Protection Approved Courses available:

Full Course

For people who have never completed CSE previously.

Outline of areas covered...

- Values and Attitudes
- South Australian Legislation
- Definitions and Indicators of abuse and neglect
- Prevention
- Child Safe Environments
- Responding to disclosure
- Reporting

Refresher

For people who have previously attended the full training session.

Outline of areas covered...

- Legal Responsibility
 - Values and Attitudes
 - Definitions and Indicators of abuse or neglect
 - Responding to disclosure
 - Reporting
- Dept. of Child Protection Approved Trainer
 - DECD approved resources delivered

On completing this program, participants will be:

- Awareness of our own values, attitudes and experiences will impact on their understanding of child abuse and their responses to children who may have been abused and/or neglected.
- The importance of maintaining a child's perspective when considering the possibility of child abuse and neglect.
- Ability to identify a range of indicators concerning child abuse and neglect.
- Discuss the concept of child-safe environments and shared responsibility for the protection of children.
- Competent in the process and procedure of reporting to the Child Abuse Report Line and fully understand their legal responsibility to notify any suspicion on reasonable grounds.
